Restricted Person Removal form

This form is used by Church Authorities or delegates to inform us that a person who holds a restricted ACMR ID is no longer a member of their entity. This may be used when the person has definitively left the entity and is no longer associated with it canonically or in practice.

Please note the ACMR ID holder will remain restricted, and ACSL will retain records of this and their previous association with your entity. They will simply no longer appear on reports of ACMR ID holders belonging to your entity. Please do not use this form to provide notice of death, which can be done via email.
